Newsletter – Oct 2026

Working Together, Taking Action

We are continuing to build a strong network of local women in Clydebank, creating opportunities to meet, share ideas, raise awareness and campaign for better services for women.

There are lots of ways to get involved — whether you want to attend meetings, take part in events, help with campaigns or simply share your voice. Our activities are designed to be varied so that women can participate in the way that works best for them.

Saturday Meetings Continue

We meet every **Saturday in Clydebank Library, 11am – 12.45pm**, providing an opportunity for local women to come together, discuss issues that matter to them and help shape our campaign.

Whether you are already involved or are thinking about joining us for the first time, **you are very welcome.**

Monthly Stalls in Clydebank Shopping Centre

We will continue to hold **monthly stalls in Clydebank Shopping Centre**, giving us the opportunity to meet women in the local community, raise awareness of our campaign and hear directly about the issues that matter to them.

Come along for a chat, find out more about what we are doing and share your views.

Sponsored Read – 31st October 2026

Our **Sponsored Read** takes place on **31st October 2026**.

This is an opportunity to bring women together around the enjoyment and power of reading while also raising funds to support our campaign work for women's services.

We would love local women to get involved, whether by taking part, sponsoring someone or helping us spread the word. Sponsorship can be done through our Just Giving page

Women are welcome to bring their children. You can bring your own book, or borrow a book or audio book from the library. All we ask is that it is by or about women.

● **Reclaim the Night – 10th December 2026**

On **10th December 2026**, we will be taking part in **Reclaim the Night**.

Reclaim the Night is an opportunity for women to come together and make a strong statement that **women and girls have the right to feel safe in their communities, streets and public spaces**.

We want women across Clydebank to stand together, raise their voices and show that women's safety matters.

Get involved

There are many ways you can support Clydebank Women Supporting Women — from attending meetings and events to helping with campaigns, raising funds or simply sharing our information with other women in the community.

Your voice matters. Your experience matters. Together, we can make a difference.
