Dear

I am writing in support of the application for financial assistance submitted by Clydebank Women's Aid. One Plus has developed a close working relationship with Clydebank Women's Aid over the years. They provide an essential service to women escaping violent relationships. Without the refuge accommodation provided by Women's Aid, there would be no safe escape from violence for the many women who use the service, and limited access to support and counselling.

Joint funding of Women's Aid refuges represent the commitment of local authorities to assist women living in violent relationships. I hope that Clydebank District Council will join with Strathclyde Regional Council in funding this essential service.

Yours sincerely
