DEBANK District Council.

DEBANK.

Dear Councillor

1.

Funding of Clydebank Womens Aid

As an unpaid member of C.W.A. collective and a resident in your ward. I should like to express my concern as to the future of the essential service.

would like to know whether you intend to follow the 1990 Scottish Labour Party resolution to support the work of Womens Aid.

I understand that this will be discussed at Labour Party meeting on 5.11.92. and wish to know your position at the subsequent voting.

Clydebank District Council Policy and source meeting on 9.11.92.

I hope that you will give the project your full support and adhere to the C.O.S.L.A. report, recommendation of joint funding of Womens Aid groups.

I await your reply
yours faithfully
